Description

This vacation home, located in the tranquil community of las Chapas, is an ideal getaway spot with its cube-like structure and shiny finishes that resemble a jewelry box. The open layout provides a feeling of spaciousness and a connection to the lush outdoor surroundings. The Playa del Rosario Beach is just a 5-minute walk away, while the Marbella center is a 10-minute drive and the Malaga airport is 45 minutes away.

The villa features five generously-sized bedrooms, three of which have their own en-suite bathrooms, with an additional bathroom and a guest toilet, making it perfect for accommodating up to ten people comfortably. The splendid rooftop offers unobstructed views of the sea and the renowned La Concha Mountain, providing an ideal location for watching the Mediterranean Peninsula's sunsets. The property's numerous terraces and sliding doors encourage guests to take advantage of Marbella's excellent climate and enjoy each other's company.

The villa's open floor plan and modern sound system make it perfect for entertaining guests or relaxing with family. The vacation retreat is completed by a sauna, a charming garden with a sleek lap pool, sunbeds, a barbecue area, and a state-of-the-art domotics system. This family-friendly neighborhood is an excellent choice for families with young children. Furthermore, the villa has a private car park and plenty of public parking nearby.
