Situated in Cascada de Camojan, one of the most exclusive neighborhoods in the area, on the famous Golden Mile, Villa Serenity is ideally located just 5 kilometers from the beach, Marbella city center, 9 kilometers from Puerto Banus, and 55 kilometers from the airport. Compared to other luxury villas in Marbella, Villa Serenity boasts a privileged location.

Surrounded by extensive mature gardens with several relaxation and entertainment areas, all with stunning sea and mountain views, the property sits on a large plot of over 5,000 m². Guests can read a book, sip an aperitif with friends, or enjoy a magnificent outdoor barbecue while taking in the breathtaking views. As the day winds down, relax in the fantastic jacuzzi on the house's solarium or prepare a casual meal in the outdoor kitchen.

In the evening, parents can unwind with a drink in the lounge with an outdoor fireplace while the children watch a movie in the summer cinema. On cooler nights, the whole family can enjoy the bar and cinema on the ground floor of the house.

For those seeking to stay active, there's a gym for a bit of exercise, followed by a sauna session and a few laps in the heated indoor swimming pool. The villa, with a lift and built over three levels, has 7+1 bedrooms, all with en-suite bathrooms, an interior gourmet kitchen, a spacious living and dining room, a comfortable office, and parking for 4 cars.
