Description

This stunning new villa is modern and sophisticated with high-quality finishes and state-of-the-art technology. It has three levels plus a rooftop terrace with a plunge pool and breathtaking views of the beach, sea, mountains, and Marbella's La Concha peak. Villa Harmonia boasts a spacious open-plan living room with a double-height ceiling and large windows, making it light and airy. The Siematic kitchen has a large island that separates it from the dining area, and there's a convenient utility room and a small office.

The ground floor also has a bedroom with an adjoining bathroom. Upstairs, there's a master bedroom with an en-suite bathroom and a large walk-in closet, as well as two guest bedroom suites. The basement has a large games/TV-room, two more guest bedrooms with natural light, two bathrooms, a utility room, and a storage room. A lift connects all four levels of Villa Harmonia.

Outside, the villa has open and covered terraces that create a seamless indoor-outdoor living experience, perfect for enjoying Marbella's lovely climate. There's carport parking for two cars, and additional spaces inside the gated property. Villa Harmonia comes furnished with stylish furniture from B&B Italia and lighting by Flos, which can be purchased separately.
